YOUR DECISION-MAKING TOOL

Use your BRAIN

Five simple questions to ask whenever something is offered or suggested — at any appointment, in labour, and beyond.

B

Benefits

What are the benefits of this, for me and for my baby?

R

Risks

What are the risks, and how likely are they?

A

Alternatives

Are there any other options we could try?

I

Intuition

What is my instinct telling me? How do I feel about it?

N

Nothing

What happens if we do nothing, or wait a little longer?

Helpful words to have ready

"Could we have a few minutes to talk this over?"
"Is this urgent, or do we have time to think?"
"Can you help us understand why this is being suggested?"

Your body. Your baby. Your choice.
